

Participation in Indian Engineering Exhibition Brazil, 2009.

Welcoming Export-worthy Engineering MSMEs

Motivation & Awareness Programme With EEPC

On 29-07-09 (11:30 hrs) at MSME-DI

The O/o. the DC(MSME), New Delhi is participating in Indian Engineering Exhibition (INDEE), Brazil, 2009 at CAXIAS DO SUL from 20th to 23rd, Oct. 2009 being organized by EEPC with the objective to showcase MSEs quality engineering product of India for the International Buyers of Latin American Countries, specially Brazil.

The Engineering items like rolled, drawn and folded products of iron & steel, Semi-finished product of nickel and nickel alloys, Hand tools and cutting tools, structural metal products, Metal Fasteners, Springs, Bearings, gearing and driving elements, general purpose machinery, transport equipment etc. will be displayed in INDEE, Brazil, 2009.

To encourage participation of Registered MSEs, Ministry of MSME will reimburse 75% of Airfare by economy return class and 50% on Space rent (100% SC/ST/Women Entrepreneurs) restricted to Rs. 1.25 lakhs per unit.

To discuss on various aspects of these fairs, EEPC is organizing a meeting with the prospective and interested MSME members of Engineering Sector **on 29.07.09 (11:30 hrs.) at the Conference Hall of this Institute.**

We are looking forward for participation of Engineering MSMEs in the above meeting with EEPC, India.
